

# Acton Quarry Fall Update

Enzo Bertucci

Dufferin Aggregates Acton Quarry

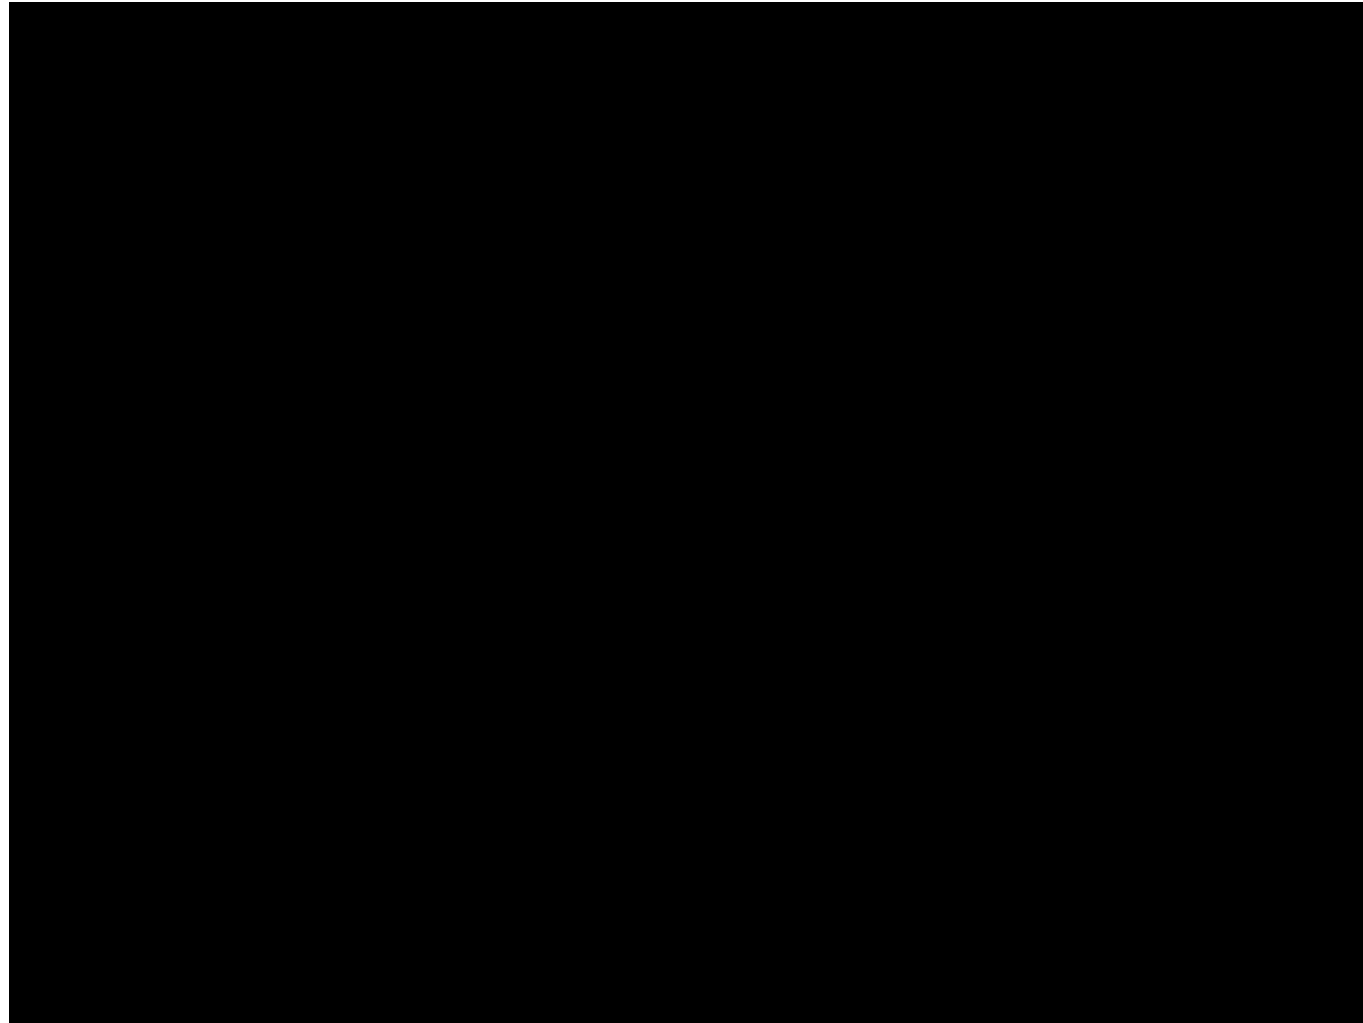

Community Liaison Committee Meeting

September 28, 2011

# Operations Update – Rob McDougall

---

- Safety Day (Sept.21/11) Fire extinguisher demonstration

# Open House Update (September 10/11) – Rob McDougall

- Approximately 300 attendees
- Breakfast, games, haul truck rides, equipment displays, bus tours, and speeches.
- Collected donations of 140lbs of food for the Acton Food Bank

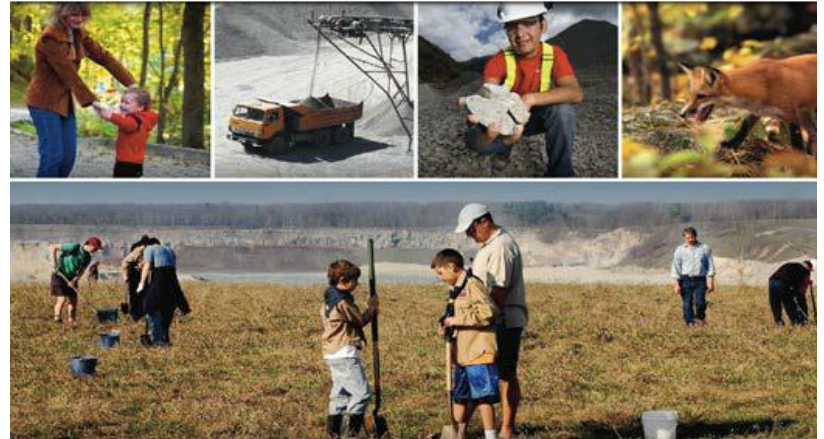

# Socially and Environmentally Responsible Aggregates (SERA) Update – Andrea Bourrie

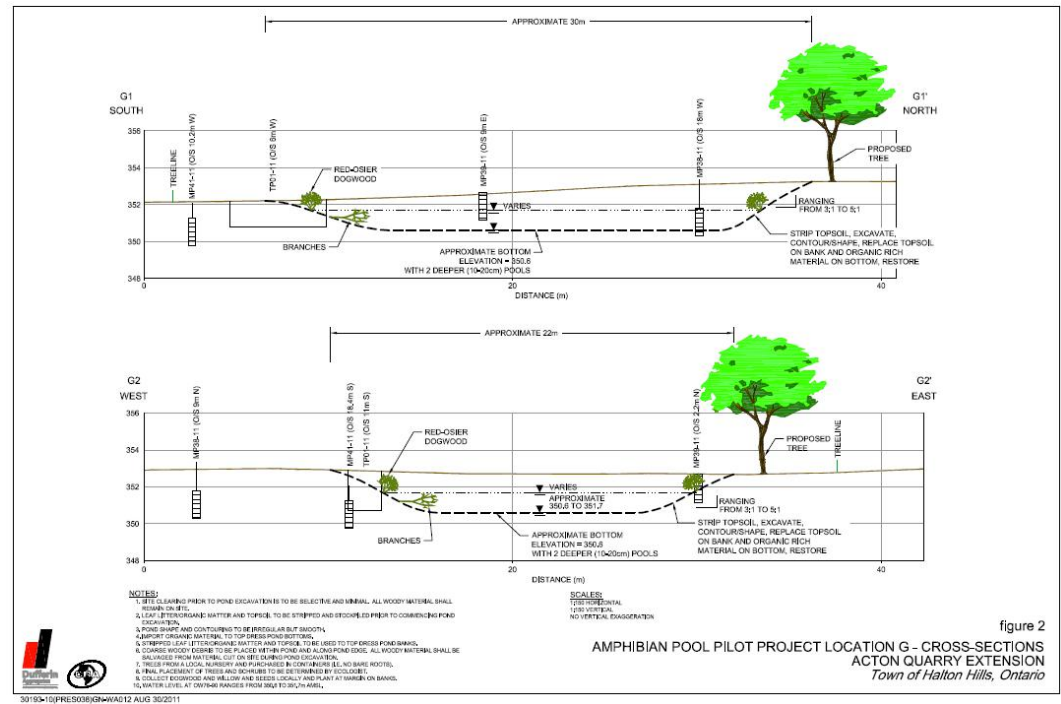

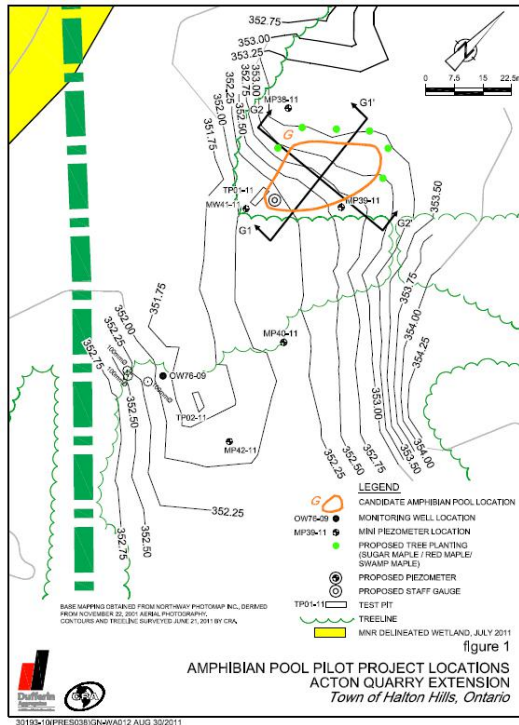

- How has SERA been received so far from industry and municipal representatives?
- What has happened since it's June 1<sup>st</sup> Press Release date?
- Where does the program go from here and what are some of the challenges that lay ahead?

Socially and Environmentally Responsible Aggregates (SERA)

# Amphibian Demonstration Pond Update – Enzo Bertucci

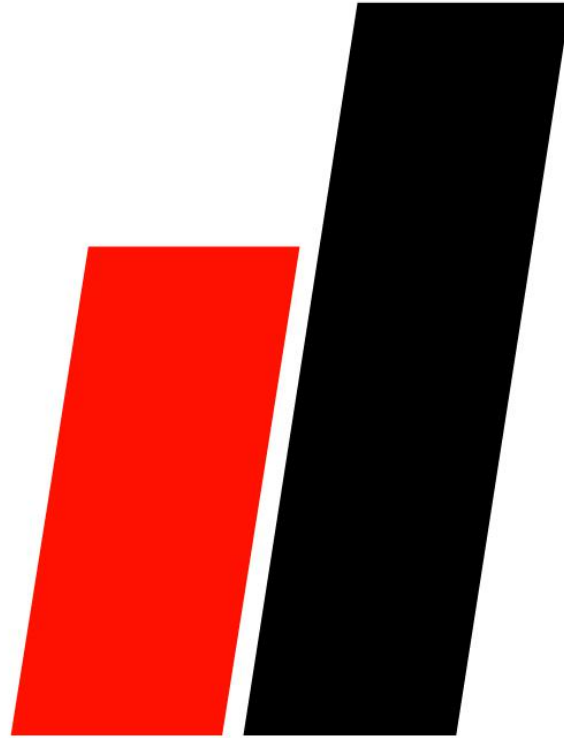

- Dufferin has partnered with Ministry of Natural Resources, Conservation Halton, and Credit Valley Conservation Authority to construct demonstration amphibian ponds on our lands.
- 2 ponds have been designed with the intent that they will be suitable JESA habitat ponds.
- Construction of ponds is imminent.

# Joint Agency Review Team (JART) Process Update – Enzo Bertucci

---

- Dufferin has continued to meet with members of JART and their peer reviewers in order to work through technical issues related to application.
- Progress has been made over the last few months on a number of the technical disciplines.
- JART has provided clearance and conditional clearance letters on the following:
  - Archaeology and Cultural Landscape
  - Noise and Blasting
  - Air Quality
- We are very close but still awaiting a final position from JART on the following:
  - Water and AMP
  - Natural Environment
  - Transportation
  - Visual Impact Assessment
  - Agricultural Impact
- We are still working towards a final JART report release date by end of this year.
