Minutes

- Meeting called to order at 7:00 pm by Mark Graves
- Andrea mentioned questions/concerns raised at September meeting will be answered and sent to those interested & committee members in a formal document.
- Mark advised committee they have demonstrated a new product for back up alarms. It is a low frequency (white noise) alarm which can be heard directly behind a machine but the sound should not carry as far as a receptor (neighbour).
- Dufferin has contacted a company (referred by Marion McMeeken) that will look at the noise generated from the dumping of rock into truck beds. They will be coming to the site at a future date TBD to assess our mining application.

- Minutes were reviewed from the last meeting and adopted by the committee.
- Discussion about recruiting some additional members, possibly changing the dates from Tuesday to the 2nd or 3rd Thursday of the month and contacting those who had shown an interest but unable to join because of previous commitments.
- Conservation Halton will not be joining the committee but would like copies of the minutes.
- Andrea gave a presentation on the GAP
- Open discussion and Q&A were facilitated throughout the presentation.
- Brief discussion on water in and around the quarry. Discussed
- Discussion on future topics of interest to CAP members
- Next meeting date scheduled for November 24th at Holiday Inn.
- Meeting adjourned at 9:15pm.

Next Steps

- Minutes will be sent to CAP members for review
- Develop formal document to follow up on questions or concern raised at CAP meetings.
